Allendale Centre Refurbishment Update

The first stage of the refurbishment works at the Allendale Centre will be starting next Monday, 5th August, and is due to be completed by 13 September 2019.

Some room closures and other disruptions may occur during the works, but we're confident you'll love the end results.

During the refurbishment works, we regret there will be no parking in the Allendale Centre car park - we suggest using the Allenview car park instead (charges apply from 8am until 6pm).

In addition, the side entrance will be closed, as will the corridor between the foyer and the Quarter Jack Suite. Access to the Quarter Jack Suite will be from the back entrance by the Wobble Room (the Wobble Room machines will be relocated near the front of the building). Alternative accessible toilets and baby change will be available.

The latest information can be found on our website here, as it is updated:
